Organogram

Our Business Areas

SOS Traders Limited supplies products and provides solutions in the following sectors:

- **Medical Devices** - We supply medical devices, healthcare equipment, diagnostic support items, hospital-use products, and related accessories as per client requirements.

- **Digital Solutions** - We provide customized software, digital platforms, and relevant technology-based solutions for diversified users according to specific client needs.
- **IT Products** - We supply IT products including computers, laptops, printers, networking equipment, office automation products, accessories, and other ICT-related solutions.
- **Leather Goods** - We supply leather products such as bags, wallets, belts, corporate gift items, customized leather goods, and promotional accessories.
- **Apparels** - We provide apparel products including uniforms, corporate wear, promotional clothing, customized garments, and textile-based products.
- **Handicraft Products** - We supply traditional and modern handicraft products suitable for corporate gifts, decoration, institutional use, promotional purposes, and customized presentation.
- **Event Management** - We provide event planning and management support including logistics, decoration, branding, venue arrangement, promotional setup, and coordination services.
- **Interior Solutions** - We offer interior solutions including furniture, decorative items, office setup support, space enhancement, and customized interior product supply.
- **Customized Products** - We specialize in customized product sourcing, development, branding, packaging, and supply based on client demand, budget, quality expectations, and delivery timeline.

Mission

Our mission is to become an efficient, effective, and dependable supplier by providing quality products and customized solutions according to client requirements.

We aim to offer economically viable and competitive services while maintaining quality, reliability, commitment, timekeeping, and integrity in every assignment.

Vision

Our vision is to become a trusted and preferred source of services in Bangladesh by providing diversified products, customized supply solutions, and professional client support with excellence and integrity.

Our Commitment

SOS Traders Limited is committed to:

- 1) Understanding client requirements properly
- 2) Supplying quality products and services
- 3) Offering competitive and practical solutions
- 4) Delivering within agreed timelines
- 5) Maintaining transparency and integrity
- 6) Building long-term business relationships
- 7) Ensuring client satisfaction through dependable service

Our Strengths

- **Customized Product Supply** - We specialize in sourcing and supplying products according to specific client needs, design preferences, branding requirements, and functional purposes.
- **Diversified Product Portfolio** - Our wide range of products and services allows clients to receive multiple solutions from one reliable source.
- **Client-Focused Service** - We listen carefully, understand requirements sensibly, and provide solutions that match the client's actual needs.
- **Quality and Reliability** - We give importance to product quality, durability, finishing, packaging, and service reliability.
- **Competitive Pricing** - We aim to provide economically viable solutions without compromising essential quality.
- **Timely Delivery** - We value commitment and ensure delivery within the agreed schedule.
- **Integrity and Professionalism** - We conduct our business with honesty, accountability, fairness, and professional responsibility.

Why Choose SOS Traders Limited

Clients choose SOS Traders Limited because we provide:

- A dependable source for diversified products and services
- Customized product supply based on specific requirements
- Professional communication and responsive support
- Competitive pricing and practical solutions
- Strong commitment to quality and timely delivery
- Flexible service for corporate and institutional clients
- Long-term relationship-focused business approach

We believe that client satisfaction is the foundation of sustainable business growth. Therefore, we focus on building repeated clients by maintaining trust, reputation, and service excellence in this competitive market.

Our Service Approach

- **Requirement Understanding** - We listen to the client's requirements, purpose, budget, expected quality, and delivery schedule.
- **Product Sourcing and Solution Planning** - We identify suitable products, suppliers, designs, specifications, and service arrangements.
- **Proposal and Confirmation** - We provide a clear offer including product details, pricing, delivery timeline, and applicable terms.
- **Procurement and Quality Review** - We source, prepare, or customize the product while maintaining necessary quality control.
- **Delivery and Support** - We deliver the required product or service on time and provide necessary coordination support.

Closing Statement

SOS Traders Limited is dedicated to becoming one of the most reliable and professional supply companies in Bangladesh. With diversified business areas, customized product supply capability, client-focused service, and strong commitment to quality, we are ready to support clients with efficient and effective solutions. We believe in client satisfaction, innovation, advancement, and long-term business relationships. We are committed to delivering required products and services on time with the highest possible quality, reliability, and professionalism.
